

7 Reasons *to experience our exceptional property management services!*

1. We will conduct a FREE routine inspection every 5 months from which you will receive a full photographed report complete with our comments and opinions.
2. We will review your rent every 5 months to make sure you keep up with the changing market and gain the most from your property.
3. Your tenants will be happy as we take prompt action for any maintenance requests.
4. Your property will be kept in pristine condition at all times so whenever you need to sell your property, it will be ready to be showcased to prospective buyers at a moments notice.
5. We aim to maintain a current, valid lease agreement at all times ensuring control of your tenant's schedule of termination, if required, as well as ensuring your property is never left vacant.
6. You, the landlord, will be updated with every action taken or required as we pride ourselves with our high communication levels with both our landlords and tenants.
7. We work as a team to ensure the best possible care for our landlords!
